SUBJECT: 2017 CHAMBER OF COMMERCE SCHOLARSHIP PROGRAM

The Danville Area Chamber of Commerce is pleased to announce a scholarship program for local students. The 2017 funding comes from dollars transferred from the Alamo Chamber of Commerce upon their consolidation with the DACC. The DACC will continue this program on an annual basis.

Our deadline to receive all completed applications is 5:00 pm, Friday, April 28. The recipients will be notified the week of May 22. We hope these dates work with your school schedule and with your graduation programs.

Attached is one master application. The first page outlines the program and tells about the requirements. The second page is the actual application. To be eligible, students must live in Danville, Alamo, Blackhawk or Diablo or have a parent who works for a business which is a member of the Danville Area Chamber. They need to complete the application form, write two essays (about their community involvement, future goals and possible financial need) and send those along with copies of transcripts of grades for the past two years.

You may make as many copies of the enclosed application as you wish, or students may receive one by contacting the Chamber at ceo@danvilleareachamber.com, or by calling 925-837-4400. Applications are also posted on our website www.danvilleareachamber.com.

PLEASE – send me the name and email of the person at your school who is in charge of scholarship information so we can inform you of any recipients from your school: send to ceo@danvilleareachamber.com.
