College Essay Questions

Please answer all three (3) questions.

Feel free to type onto this sheet or include a separate page, if necessary

1. Tell us a little bit about your academic and career goals for the future, how they relate to business and / or entrepreneurship, and how you plan to achieve them.

If you have a need for financial assistance to pursue your educational goals, please include this in your response.

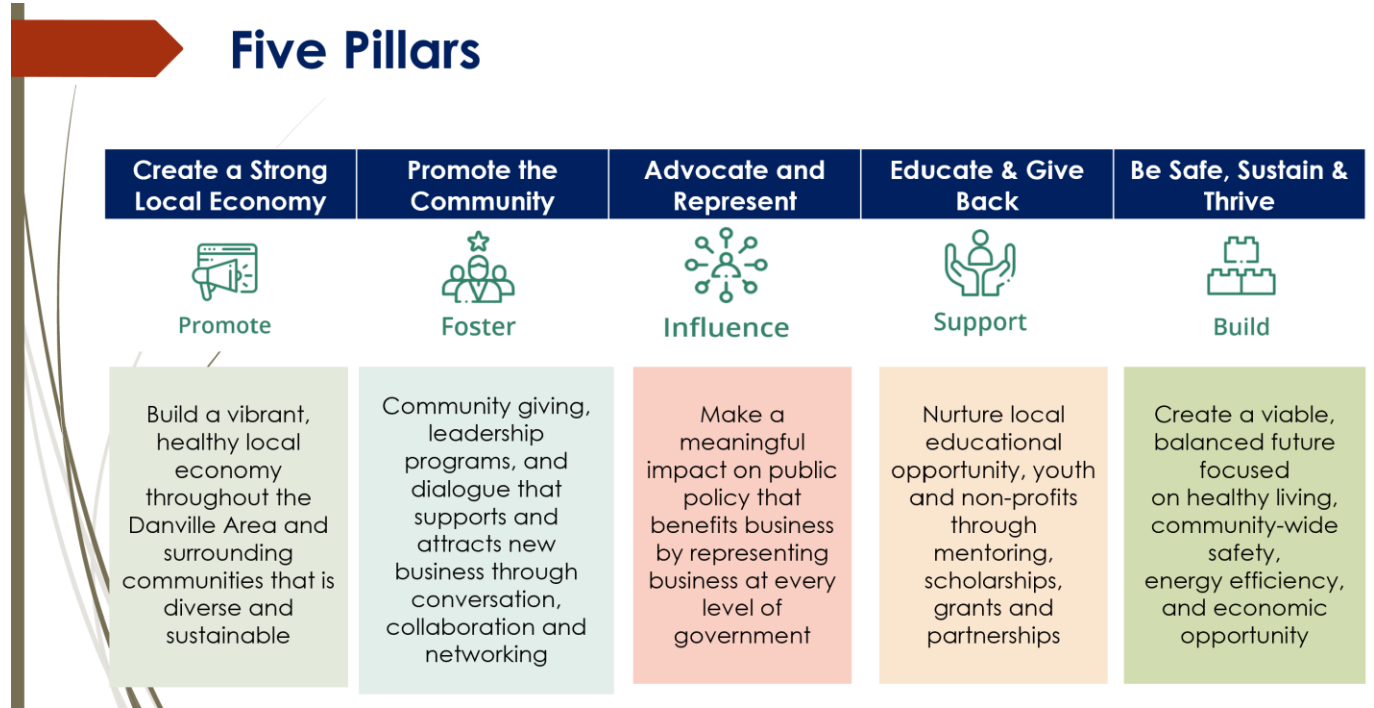

2. What leadership roles have you held in the community? Please include any community service projects, leadership on a school-related project (yearbook, sports, etc.), and any work you have done that relates to business and / or entrepreneurship.
