Dear Danville Business & Non-Profit Leaders,

We want to invite you to our *first ever* **Health & Wellness Day on the Green**, taking place on Saturday, October 14<sup>th</sup>, from 11:00 AM to 3:00 PM.

The event is being produced in partnership with the Town of Danville and takes place on the Town Green, 420 Front Street in Danville. We look forward to the opportunity to showcase and elevate health, wellness, fitness and our outstanding quality of life in the Danville community. We are pleased to partner with the Town Recreation, Arts & Community Services Department, who will conduct a demo on site.

We will be joined by celebrity guests, including [Brodie Brazil](#), host of the Oakland A's and Sharks Pregame & Postgame Live on NBC Sports California, who will serve as our master of ceremonies.

[Next Step Dance Studio](#), led by the amazing Lori Buffalow, will do a special performance on site during the event, which is destined to draw a crowd of residents and families who have a passion for dancing.

**Businesses are invited to have a presence at the event and to sign up for a demo spot.** All are welcome, though priority will be given to businesses and non-profit organizations in the health, wellness, fitness, spa and beauty sectors. There are limited booth spaces and limited timeframes for demos, which we expect to be a 15-minute duration.
